EXAMINER'S AMENDMENT / COMMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Frank Molinaro on 29 December 2003.

The application has been amended as follows:

In the claims:

Claim 9 has been cancelled.

2. The following is an examiner's statement of reasons for allowance:

The closest prior art of record is: Ruhl et al. (USP 5,567,398), Corrigan (USP 5,516,344) and Egglestone (USP 4,925,456). While the references disclose an apparatus for hydrogen generation comprising an inner, secondary reforming, vessel surrounded by a plurality of annular pre-reforming zones, the references do not disclose said inner vessel comprising a mixing zone disposed on the oxidation zone and said oxidation zone disposed on the secondary reforming zone. Further the references do not disclose said pre-reforming zones comprising a core gas conduit having catalytic combustion zone being adjacent to terminal end of said core gas conduit. Additionally the references do not disclose the a sealed effluent plenum enclosing each pre-reforming zone and the inner vessel and, in turn, being enclosed by an air preheating zone, wherein said inner vessel comprises a layer of insulation disposed surrounding its sides. Therefore an ordinary artisan would have not been motivated to construct the apparatus for

generation of hydrogen having specific arrangement of various reaction and heating zones and feedstock and product stream manifolds and plenums, as recited in instant claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
